

OVERDRAFT COVERAGE OPTIONS: PRIVILEGE PAY AND OVERDRAFT PROTECTION

Alcoa Tenn Federal Credit Union understands that unexpected overdrafts occur from time to time, so we have Overdraft Coverage here to help. The following Overdraft Coverage Options are available. To review or change your current options, please contact Member Services at 865-977-3118 or stop by a branch.

Overdraft Protection —Line of Credit	Subject to interest, credit approval, and a \$10 per item transfer fee
Privilege Pay	\$32.00 Privilege Pay Fee per item.

*See ATFCU’s Electronic Fund Transfers Agreement and Disclosure for transfer limitations

Overdraft Protection services apply to all transactions and may help prevent overdrafts by automatically transferring funds to your checking account from another account or line of credit you may have at ATFCU. Please note that overdraft lines of credit are subject to finance charge, credit approval, and a per item fee.

Privilege Pay allows you to overdraw your account up to the disclosed limit for a fee in order to pay a transaction. Even if you have overdraft protection, Privilege Pay is still available as secondary coverage if the other protection source is exhausted.

What Else You Should Know

- A link to another account or a line of credit is a less expensive option than an overdraft. Good account management is the best way to avoid overdrafts. Use our mobile banking, Internet banking, and telephone banking services to keep track of your balance. For additional financial education resources, please visit www.mymoney.gov.
- The \$32.00 Privilege Pay Fee is the same fee amount that is charged if a check is returned as unpaid. If multiple items overdraw your account on the same day, each item will be assessed an appropriate Privilege Pay Fee or a Return Item Fee of \$32.00. All fees and charges will be included as part of the Privilege Pay limit amount. Your account may become overdrawn in excess of the Privilege Pay limit amount as a result of a fee.
- There is a limit of 7 Privilege Pay Fees (\$224) per day we will charge.
- We generally post items in the following order: 1) credits 2) ATM and debit card transactions (in the order received); 3) ACH debits (in the order received); 4) checks (check number order); however, exceptions will occur. ATM and debit card transactions are authorized in real time and posted as they are received; therefore, these items may post before credits. However, because of the many ways we allow you to access your account, the posting order of individual items may differ from these general policies. Holds on funds (described below) and the order in which transactions are posted may impact the total amount of Privilege Pay Fees or Return Item Fees assessed.
- Alcoa Tenn Federal Credit Union authorizes and pays transactions using the available balance in your account. Alcoa Tenn Federal Credit Union may place a hold on deposited funds in accordance with our Deposit Account Agreement and Disclosure, which will reduce the amount in your available balance. The available balance for checks, ACH items, and recurring debit card transactions is comprised of the ledger balance, less any holds on deposited funds and any debit card holds, plus the amount of the Privilege Pay limit and any available overdraft protection. The available balance for ATM and everyday debit card transactions on accounts with Standard Coverage is the ledger balance, less any holds on deposited funds and any debit card holds, plus any available overdraft protection, but does NOT include the Privilege Pay Limit. For accounts with Extended Coverage, the Privilege Pay Limit is included in the available balance for authorizing ATM and everyday debit card transactions. If the funds in the available balance are not sufficient to cover a transaction, any available overdraft protection and/or the amount of the Privilege Pay limit may be used to authorize and pay a transaction.
- Although under payment system rules, Alcoa Tenn Federal Credit Union may be obligated to pay some unauthorized debit card transactions, Alcoa Tenn Federal Credit Union will not authorize debit card or ATM transactions unless there are available funds (including Overdraft Coverage Options) to cover the transactions and any fee(s).
- Giving us your consent to pay every day debit card and ATM overdrafts may result in you incurring Privilege Pay Fees for transactions that we would otherwise be required to pay without assessing a Privilege Pay Fee. However, this would allow us to authorize transactions up to the amount of your Privilege Pay limit and may also help you avoid overdrafts in excess of your available funds that could result in restriction of your debit card.
- Alcoa Tenn Federal Credit Union authorizes and pays transactions using the available balance in your account. The available balance is comprised of the ledger balance (collected funds) less any debit card holds, and does not include any deposited funds on hold. Alcoa Tenn Federal Credit Union may place a hold on deposited funds in accordance with our Deposit Account Agreement and Disclosure. If the funds in the available balance are not sufficient to cover a transaction, any available overdraft protection and/or the amount of the Privilege Pay limit, may be used to authorize and pay a transaction.
- Except as described in this letter, Alcoa Tenn Federal Credit Union will not pay items if your account does not contain available funds (including the Privilege Pay limit) to cover the item(s) and the amount of any fee(s).
- Alcoa Tenn Federal Credit Union may suspend your debit card if you incur overdrafts in excess of the available balance in your account, including any Privilege Pay limit (as described in this letter). Debit cards on your account may remain suspended until you make sufficient deposits so that your available balance, taking into account any Privilege Pay limit, is positive and then you contact us.
- Alcoa Tenn Federal Credit Union may also suspend your debit card if your account is overdrawn more than thirty (30) consecutive calendar days. Debit cards on your account may remain suspended until you make sufficient deposits so that your account balance is positive.
- Alcoa Tenn Federal Credit Union may also suspend your debit card if we are unable to contact you due to an incorrect mailing address or phone number(s). You must contact us with your correct mailing address and/or phone number(s) to have your debit card reinstated.
- If your debit card is suspended, you will be unable to use your debit card for purchases or to access your account at the ATM, and if you use your debit card for recurring payments, e.g., utilities, you are responsible to make other arrangements for your recurring debit payment(s).
- An Overdraft Privilege Pay limit of up to \$600 will be granted to eligible Personal and Business Checking accounts opened at least 30 days in good standing.
- An Overdraft Privilege Pay limit of up to \$800 will be granted to eligible Personal and Business Money Market accounts opened at least 30 days in good standing.
- Privilege Pay is not a line of credit; it is a discretionary overdraft service that can be withdrawn at any time without prior notice.
- Privilege Pay may be discontinued if you default on any loan or other obligation to us, your account becomes subject to any legal or administrative order or levy, or if you fail to maintain your account in good standing by not bringing your account to a positive balance within 35 days for a minimum of one business day.
- Depositor and each Authorized Signatory will continue to be liable, jointly and severally, for all overdraft and fee amounts, as described in the Deposit Account and Disclosure Agreement. The total (negative) balance, including all fees and charges, is due and payable upon demand.
