Alcoa Tenn Introduces “Got Debt?” PLUS

It's time to get reacquainted with “Got Debt?”, Alcoa Tenn's popular loan promotion that not only saves people money but also puts some back in their pockets. Why? Because we've added a little

something extra to bring you “Got Debt?” PLUS!

For those who may not be familiar with the program, here's how it works: When you refinance your existing debt from another financial institution with Alcoa Tenn be it auto, credit cards, or recreational loans, we will pay you up to \$500. The debt can also be consolidated to qualify, making “Got Debt?” a great and convenient way to combine multiple monthly payments into one.

Now comes the PLUS part! Once you've been approved and if you don't have a checking account with Alcoa Tenn, simply open one up along with a debit card and receive an additional \$100 on top of your “Got Debt?” incentive!

And while a bit more spending cash is a nice perk, the long-term

benefits of “Got Debt?” PLUS go much further. When bringing your existing debt to ATFCU, our Staff will work hard to find the payment plan that fits you best. Many have been able to either lower their monthly payment or interest rate, allowing them to save more money over the course of their loan. Those who open a checking account with us will also enjoy the ease and convenience of making payments via our Digital Banking or mobile app. We guess you could say “Got Debt?” PLUS literally pays to keep your finances under one roof.

Speaking of which, we service all our loans in house. Meaning if you ever have a question or concern, you can always speak with a local friendly and knowledgeable professional who will assist you right away.

At ATFCU we believe debt should serve as a means to achieve your dreams, not keep you stuck in a web of red tape. “Got Debt?” PLUS is going on now through September 30th, 2025. Call, stop by, or visit atfcu.com for more details and to apply online today!

2025 Franklin E. Robinson Memorial Award

Franklin served as Treasurer of Alcoa Tenn Federal Credit Union's Board of Directors for many years. Franklin was born in New York, but was raised in Jamaica. Returning to the States in 1954, he earned degrees in both Electrical Engineering and Business at Ohio State University. Franklin retired in 2007 as a Senior Staff Engineer at ALCOA with more than 40 years of service. He always enjoyed a hearty, insightful discussion of politics and economics. An avid reader, Franklin had an unwavering commitment to the strength and value of a good education. For this reason, the Alcoa Tenn Federal Credit Union Award has been renamed in honor and in memory of Franklin E. Robinson.

I CAN HELP WITH YOUR 401(k) OPTIONS

Changing jobs? What should you do with the 401(k) money you've accumulated? You may have up to four options (and may engage in a combination of these options): leave the money where it is, roll it over to your employer's new plan, roll it into an Individual Retirement Account (IRA), or cash it out.

I can help you explore these choices, and guide you through the necessary steps.
